

Huntingdon is listed among *U.S. News & World Report's* "America's Best Colleges" and among the Princeton Review's "The Best Colleges, Region by Region." Our campus is listed on the National Register of Historic Places.

Why Huntingdon?

Because you want a great education. Because you like the color scarlet. Because there's no substitute for personal attention. Because you'll love "fried chicken Thursdays." Because it feels like home. Because you get to do the Hawk Walk. Because you want to be part of the tradition.

Tradition. At Huntingdon, the greatest traditions and the hallmarks of our campus are explained in three words: **Faith, Wisdom, and Service.** Huntingdon welcomes students who embrace the challenge to learn and to serve others. For more than 150 years, Huntingdon has served the United Methodist Church and the Southeast, providing an outstanding liberal arts education in an atmosphere that supports spiritual growth and inquiry. We're led by our motto, engraved in stone over the front door of historic Flowers Hall, "Enter to grow in wisdom, go forth to apply wisdom in service."

We invite you to experience the tradition we call the **Huntingdon Plan**, which defines the Huntingdon experience for all full-time students:

- **Real Life Liberal Arts**—a broad foundation for future success;
- **A Laptop Computer**—use it all four years; keep it at graduation;
- **Travel/Study**—international opportunities within regular tuition and fees your junior or senior year;
- **Hands-On Learning**—from service learning to our Hawks on the Hill internship and Washington Semester Program;
- **Personalized Advising**—connecting your course work to your life goals;
- **A College of the United Methodist Church**—a friendly, welcoming, comfortable learning atmosphere where your freedom of thought and your faith journey are equally supported and nurtured;
- **Small Classes**—a 15:1 student-to-faculty ratio, average class sizes of 20, and plenty of places to gather outside of class extend relationships with faculty beyond the classroom, so that you will know and be known.

Academics

With a long tradition of superior academic programs and an emphasis on critical thinking, Huntingdon graduates are well-prepared for success in the real world. Internships, student-faculty research, practicum experiences, travel, and Senior Capstone projects are just a few of the ways Huntingdon students "learn by doing." Because Huntingdon is about people, faculty mentoring and excellent teaching will make all the difference for your future.

Athletics

The Hawks field a number of varsity NCAA-Division III intercollegiate teams. Activities and groups related to athletics include cheerleading, Huntingdon Dazzlers dance team, Huntingdon First Scarlet & Grey Marching Band, Pep Band, and an active intramural sports program.

Student Life

What do you do with the 70% of your time spent outside the classroom while you're in college? Not a problem at Huntingdon. With more than 50 clubs, organizations, and academic honoraries, there are plenty of ways to meet friends who share your interests and to get involved.

Residence Life

A majority of our students live on campus in one of three residence halls, conveniently located on a close-knit, never-too-far-from-anywhere campus.

Service

"Community" isn't a word taken lightly at Huntingdon. We believe our responsibility extends beyond our campus as good neighbors to a larger world. Huntingdon students work with children who have disabilities, partner with schools, prepare tax returns for low income families, tutor, paint, build, plant, make wishes come true, and raise money for a myriad of causes.

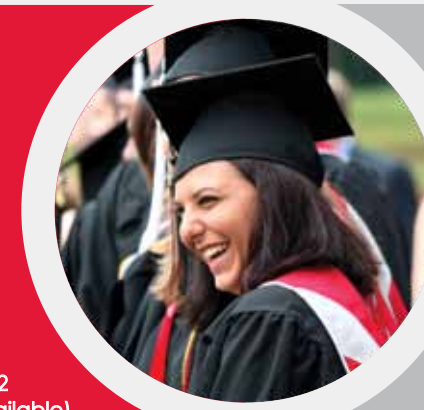

Spiritual Life

At Huntingdon, you will grow in mind, heart, and spirit through rich and diverse Campus Ministries programs that support your faith journey, including weekly Chapel and Emerge services, Bible studies, service outreach, and community ministry opportunities.
